Getting Started...

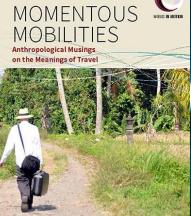

SCALING UP

"Everything is connected, everything

changes, pay attention"

Jane Hirshfield (poet; 1953–)

Planetary Mobilities

The Anthropocene

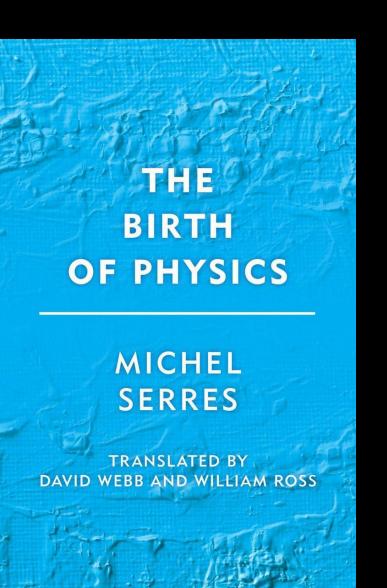

The Kinocene

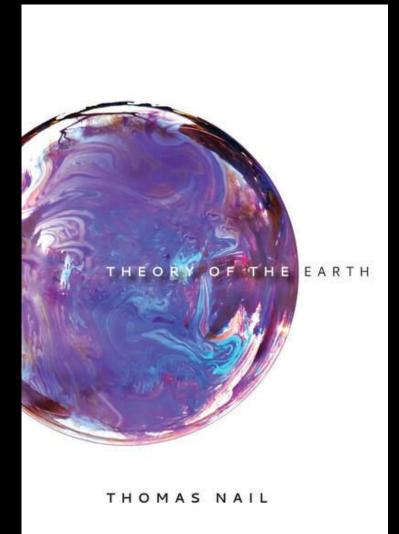

- Humans started surges in movement
- Complex flows and positive feedback cycles (carbon, nitrogen)
- Climate change politics: carbon markets

Ontology of Motion

Immobile Science

SCALING DOWN & SIDEWAYS

"Trust only movement. Life happens

at the level of events, not of words.

Trust movement"

Alfred Adler (psychoanalyst, 1870–1937)

Covid-19 prevention measures

ErgoProlipsis

If you have flu-like symptoms (cough, fever, difficulty in breathing), please do not enter

Keep safe distance (2mm apart)

Avoid shaking hands

Avoid crowded places and public gatherings

There should not be more than one people in elevator

Wear face mask if it is necessary

Wear gloves if it is necessary

Wash your hands regularly with soap or water

Sanitize your hands frequently with an alcohol based hand rub

Avoid touching your face, nose or mouth

Avoid sharing personal things

Perform more regular workplace cleanings

Multicellular Mobilities

- Viruses have no locomotion
- Mobility economy, Anthropocene mobilities
- Covid-19 = disease of the Anthropocene

Other-than-Human Mobilities

Animal Mobilities

- Critical to biosphere functioning
- Global loss of mobility & motility
- Borders and boundaries
- Politics of mobility

RESCALING THE HUMAN

"We know as we go,

from place to place"

Tim Ingold (anthropologist, 1948–)

Moving Life

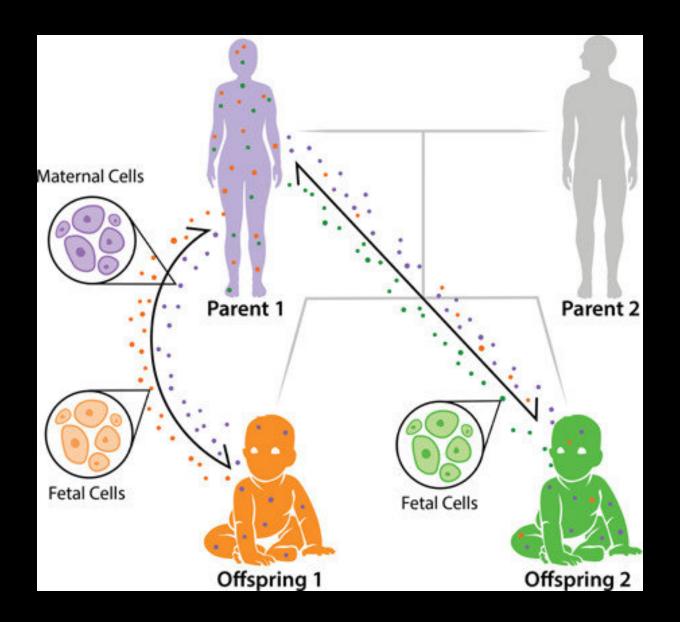

- Human = life form in movement
- Phenomenology: "moving being"

Quantum physics & Eastern philosophies

Biomedical Sciences

Multispecies Ethnography

RESCALING THE ENVIRONMENT

"What we most need to do is to hear

within us the sound of the Earth crying"

Thich Nhat Hanh

(Zen Buddhist Master, 1926–2022)

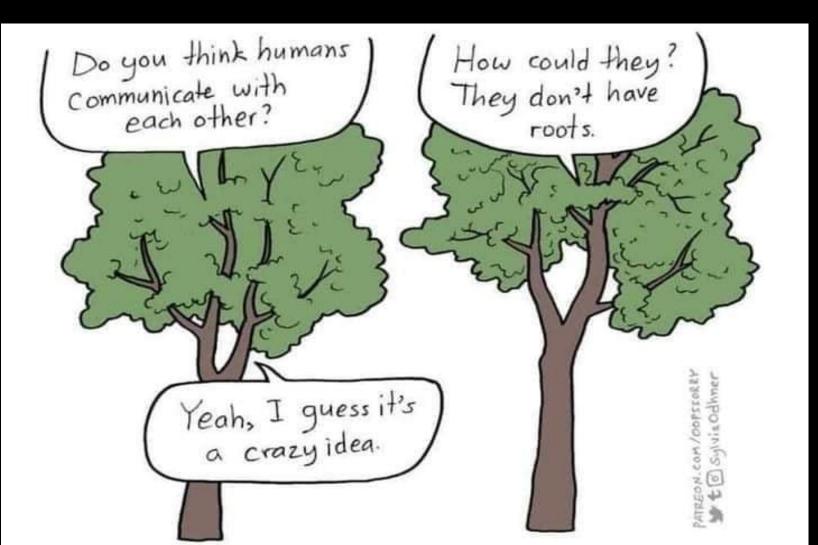

"We" are the Planet

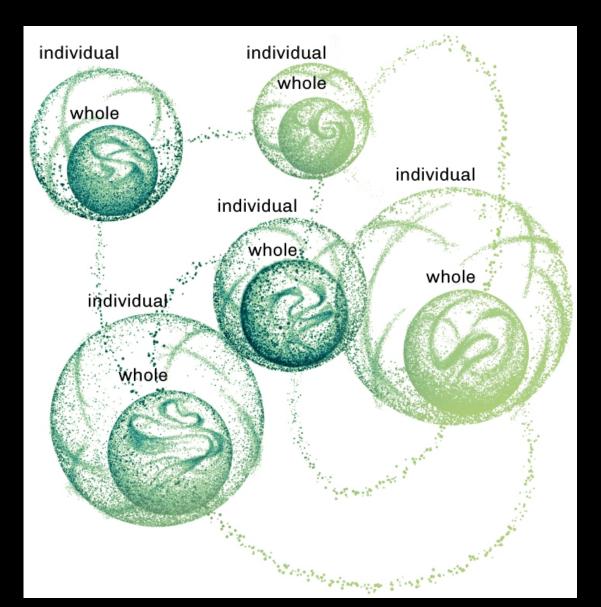

(Re)connecting

Planetary Commons

Topokinetic Knowledge

- Aboriginal song lines & dreaming tracks
- Ubuntu: motion as principle of existence
- Buen vivir: relatedness

Indigenous Mobility Traditions

CONCLUSION

"Survival, in fact, is about the connection

between things"

Edward Said (postcolonial scholar, 1935–2003)

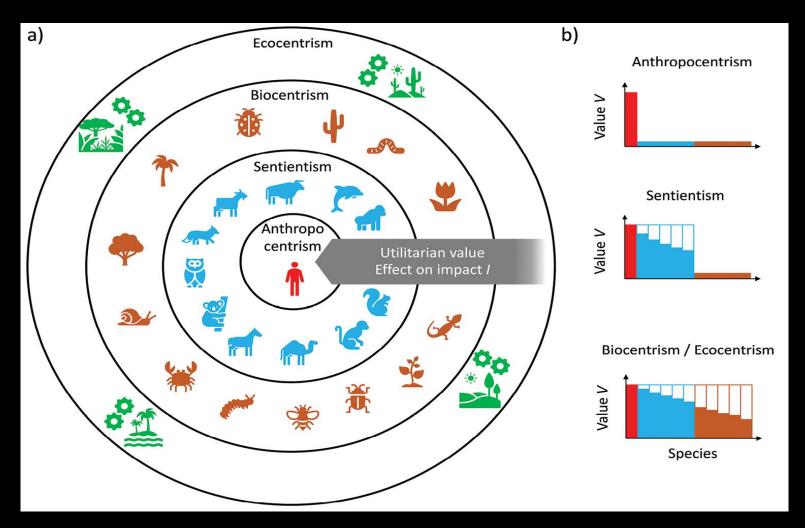

Rethinking Life

- Scientific catch-up
- Life is mobile

Planetary Conviviality

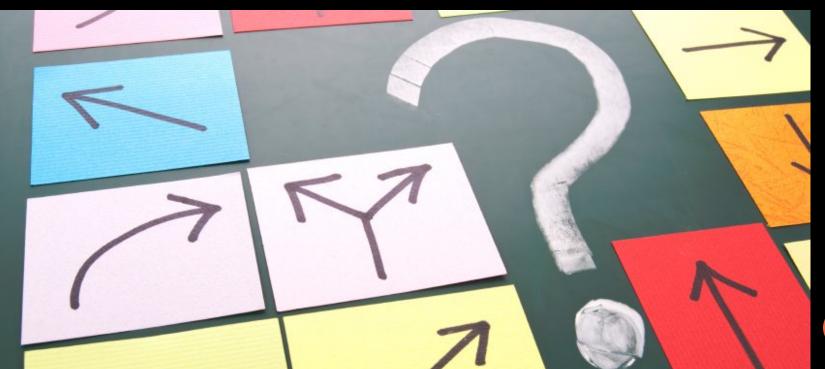

Relationality and Belonging

- Need for planetary solutions
- The planetary scale is too big for humans
